Profile

Creative and detail-oriented UI/UX Designer with 2 years of experience crafting intuitive digital experiences. Adept in turning complex problems into user-friendly solutions using tools like Figma, Photoshop, Lightroom, and Framer. Passionate about clean design, usability, and creating value through design.

Employment

Oct 2024 — Jan 2025

Remote

Freelancer UI Designer at Propfit

Propfit is a modern rental and apartment management app designed to simplify property listing, tenant communication, rent tracking, and maintenance requests. I led the end-to-end UI/UX design process, focusing on creating a clean, intuitive experience for both property managers and tenants

Sep 2024 — Present

Remote

UI/UX Designer at Huttspot

Designed an intuitive and user-friendly mobile app that helps college students find, manage, and book rentals and apartments efficiently. Added key features like Tenant Management System, Landlord Portal, Booking and Payment, Property Listings, Search and Filter.
